Additional Skills

- JavaScript, HTML5, CSS3, SASS, React, Java, PHP, MySQL, JQuery, Git, Figma, Adobe PhotoShop, Avocode, Fast Learner, Ability to work in team, Communication Skills

Professional Summary

I am currently in my last year of university. I studied computer science at the University of Turin. I am very passionate about web developing and especially I enjoy working on front-end. I love collaborating and meeting new people but I also like doing individual work.

The programming technologies that I know best are Javascript, HTML5, CSS3 and I am currently focusing on learning and using React.

Work Experience

13/08/2021-8/11/2021

Sykes, Suceava

Technical Support Advisor; I worked as a costumer advisor for 4 months and I believe it helped me a lot in becoming an even more 'open-minded' person and to develop my social skills as I was constantly interacting with new people.

1/02/2022 - 1/03/2022

Internship at OSF

During the internship, I had to create from scratch and using only my skills an e-commerce website; We were allowed to use Javascript, JQuery, HTML5 and SCSS and had to recreate a responsive website based on FSD files provided.

25/02/2022-18/03/2022

Tech Challenge 2022, Assist Software

I worked in a team of 5 people to create a full stack office-space management application. We, as a team, had to divide our roles and I worked on the front-end using React and on the design part using Figma.

Education

09/2012 - 07/2017

Liceo Classico, Isaac Newton, Chivasso

82/100

09/2017

Università degli Studi di Torino, Dipartimento di Informatica, Torino

During the courses I have attended at University, I have studied mostly the back-end part focusing on programming languages such as Java, C and PHP.
